TheCornellLab of Ornithology

Congratulations!

You are now a certified NestWatch nest monitor

Please remember to always abide by the NestWatch Code of Conduct:

- Learn about the birds that you monitor
- Plan and prepare
- Collect data carefully
- Choose an appropriate time to visit nests
- Search carefully
- Be wary of nest predators
- Minimize disturbance to nest sites
- Do not handle eggs or nestlings without a permit
- Don’t leave dead-end trails
- Respect private land
- Understand the Migratory Bird Treaty Act
